

Len Dorscher - K-8 Principal/JH Athletic Director

Welcome to the 2020-21 school year! We have missed our students tremendously and have been looking forward to their return for far too long. We do not know what this school year will bring, in the midst of our pandemic. What I can say is every student that walks through our doors will be cared for and looked after with love, respect, dignity, and compassion. Please do not hesitate to contact me with questions or concerns. If I do not have an answer for you immediately, I will find one. Cheers to a great school year! ldorscher@tfalls.org

You can find our district's reopening plan at www.thompsonfalls.net

My new favorite mask.
Go Broncos!
