

**MODEL PLAN OF ACTION
THOMPSON FALLS PUBLIC SCHOOL
DATE OF INITIAL PLAN : 3/26/20
REVISION DATES: 8/17/21**

OVERVIEW

On Sunday, March 15, 2020, Governor Bullock ordered all K-12 public schools in Montana closed starting Monday, March 16 through Friday, March 27, 2020. Pursuant to the March 19, 2020, directive of Governor Bullock, requirements for pupil instruction from Monday, March 16 through March 27, 2020, were waived with Montana’s public schools receiving full funding, including the state transportation reimbursement. The Governor further directed that during the mandated school closure from March 16-March 27, 2020, school districts were to plan and begin implementation on the following:

1. Offsite learning instruction and structure;
2. School meals, consistent with what the District regularly provides;
3. Services for students with disability; and
4. Other services customarily provided to students.

Through his March 19, 2020, directive, the Governor stated that districts will receive full funding and all requirements for pupil instruction will be waived if the following conditions are met:

1. The District creates a Plan of Action to address those specific areas identified above;
2. The Board of Trustees approves the District’s Plan of Action;
3. The Governor, in consultation with OPI, approves the Board of Trustees’ endorsed Plan of Action and waives all requirements for pupil instruction. The Governor’s March 19, 2020, directive provides that: “Presumptively, the Governor will approve waiver requests that are approved by school boards.”
4. The District will submit periodic reports to the Governor addressing those specific areas identified above.

PLAN OF ACTION

The following represents the District's REQUIRED Plan of Action to address pupil instruction, the provision of school meals for students, compliance with IEP's and 504 plans of students with disabilities, and other services the District customarily provides to students:

1. Offsite learning instruction and structure: The District has the following structure in place to ensure off-site learning for students. The District has ensured that continuity plans for educational services can be accessed by all students, regardless of resources available at home. The strategies identified below are, of course, customized to meet the individual needs of each student.

- As of Monday, March 30, 2020 Certified and Classified Staff will be able to telework (off-site) providing instruction to students with limited, pre-approved access to school buildings through the following mechanism:
 - On-line lessons
 - Students have access to online adopted curriculum
 - IXL
 - Success Maker
 - Typing Club online
 - Moby Max
 - Etc.
 - Video chats/tutoring
 - Facebook Live
 - Google Hangouts
 - Skype
 - Etc.
 - Phone calls
 - Hard copy packets of materials
 - Textbooks
 - Teacher Webpages
- In order to ensure that all students have access to on-line coursework, the District is
 - providing those students and staff who don't have the necessary devices with laptops, chromebooks, etc. for checking out
 - within the parameters of OPI limitations and the District's transportation fund limitations, using transportation funds (pursuant to 20-10-101(5)) to assist students, parents and/or staff in obtaining on-line access and instruction.
 - school wifi can be accessed for free by students and staff in the school parking lot

2. School meals, consistent with what the District regularly provides: The District has implemented the following strategies to ensure that our students are continuing to receive nutritional meals, the same as if the District was open for pupil instruction.

- The District is serving grab-and-go lunches, breakfast-like items, and snacks to include fresh fruit.
 - The District is providing a week's worth of meals for all students to be picked up at established pick-up locations each Monday.
 - The District will follow summer food guidelines, which require students to pick up food in person. The District will follow changing standards from the OPI.
 - The District will continue its backpack food program, adjusting to our new distribution schedule.

3. Services for students with disability: The District has implemented the following strategies to ensure that each student who is on an IEP or 504 Plan continue to receive the educational and related services to make progress towards their individual goals. The strategies identified below are customized and differentiated to meet the individual needs of each IDEA and 504 students.

- The District is providing a Free and Appropriate Education for students with disabilities.
- The District is conducting IDEA and 504 meetings via electronic means and/or meeting in person, but complying with CDC Guidelines, State Guidelines and/or local health guidelines;
- The District is providing educational and related services, in collaboration with parents and staff, through all means available, including
 - On-line lessons
 - Students have access to online adopted curriculum
 - IXL
 - Success Maker
 - Typing Club online
 - Moby Max
 - Etc.
 - Video chats/tutoring
 - Facebook Live
 - Google Hangouts
 - Skype
 - Etc.
 - Phone calls
 - Hard copy packets of materials
 - Textbooks
 - Teacher Webpages
- The District will work within the parameters of IDEA, regarding the privacy rights of all students and families.

4. Other services customarily provided to students: The District has implemented the following strategies to ensure that our students receive service that we provide the same as if pupils were being educated on-site.

- The District is providing guidance counseling supports and services.
 - Phone calls
 - Video chats/tutoring
 - Facebook Live
 - Google Hangouts
 - Etc.
- The District is providing social and emotional supports and services.
 - Phone calls
 - Video chats/tutoring
 - Facebook Live
 - Google Hangouts
 - Etc.
- The District is working with CSCT program to continue to provide tele-health services
- The District is further providing support services for our staff, including current health updates.
 - CDC Guidelines and updates
 - County Health contacts and updates
 - MT-PEC Guidelines and updates
 - DPHHS Guidelines and updates
- The District will provide updates for families and the community regarding school closures and COVID-19 health precautions, including but not limited to the following mechanisms:
 - Infinite Campus updates
 - School Web Page
 - School Facebook Page
 - Local newspaper articles
 - Phone Calls
 - E-Mails

Montana School District ARP ESSER Plans

Federal Requirement

The US Department of Education (USED) required the OPI to establish a process for district plans consistent with the ARP ESSER requirements for the use of ARP ESSER funds and ensure plans be made available to the public, within no later than 90 days after a district received its ARP ESSER allocation (August 24, 2021). The requirements for the school district plans include, at a minimum, how districts will:

1. use funds to implement prevention and mitigation strategies;
2. use the funds totaling not less than 20% to address lost instructional time;
3. spend its remaining 80% of ARP ESSER funds;
4. respond to needs of student disproportionately affected by the pandemic; and
5. meaningfully engage with and consult stakeholders in crafting their plans.

Each of these federally required components are embedded into this school district ARP ESSER plan.

In addition, the USED requires the OPI to support and monitor each school district's use of ARP ESSER funds, including:

- i. implementation of evidence-based interventions;
- ii. address the student groups specifically that were disproportionately impacted by the pandemic; and
- iii. identify, reengage, and support students who have experienced the impact of lost instructional time.

The plan will provide the information necessary for the OPI to support and monitor school districts as they move forward.

State Components

Throughout this school district ARP ESSER plan, the OPI has emphasized local control and coordination of state initiatives and requirements so that school districts can identify and innovate solutions for unique local needs and priorities. These components are embedded in the school district ARP ESSER plan. Additionally, the OPI will seek flexibility from the Board of Public Education to use the Goals section of this plan in place of the Continuous School Improvement Plan (CSIP).

This template will guide the development of the school district's (LEA's) ARP ESSER plan.

The template sections are as follows:

1. School District-Identified Priorities
2. Meaningful Consultation
3. Goals
4. Coordinating Funds
5. Creating Safe and Healthy Learning Environment
6. Addressing Lost Instructional Time
7. Supporting the Educator Workforce
8. Monitoring and Measuring Impact of ARP ESSER funds

Prior to beginning your school district ARP ESSER plan, consider the following:

- Has your district and/or individual schools within the district completed a Gap Analysis to assist in identifying the top needs due to Covid 19? If no, click on [Gap Analysis](#).
- What kinds of data assisted you in identifying the gaps?
- What were the needs you identified in your subgroups?
- Did you meet with all stakeholders to get input on needs and possible solutions to formulate a plan for the funds? (Parents, Students, Teachers, Staff, Community Members, Tribal Members, School Board, etc...) If not, how will you make this happen prior to creating your plan?

Instructions for completing your school district ARP ESSER plan

- When you reach a stopping point, click Next to save your work. Return anytime before August 24 to finish your submission.
- When you're ready, click Submit at the end of the plan.
- After you click Submit, your responses will display in a PDF file. Download the PDF file.
- Upload the PDF file of your responses to your district's webpage.

Note: The option to edit is no longer available once the plan is submitted by clicking the Submit button. If you click Submit and then determine later that you need to make changes, contact OPITeams@mt.gov.

While completing your school district ARP ESSER plan, consider the following:

- What would you like to achieve before the funding ends in September of 2024?
- What goals will need to be established in order to get there?
- You may need to leave and come back to this form as you formulate your plan.
- You will still need to complete the eGrants application for ESSER III that is due September 1, 2024. It is important that you complete your district ARP ESSER plan by August 24, 2024.

September 1, 2021. It is important that your school district ARP ESSER plan aligns with the budget amounts reported in eGrants.

Next Steps:

- The OPI will confirm your submission via the email you provide at the start of your plan.
- The OPI will reach out with questions and support as needed.
- Districts will need to set up their own monitoring which needs to be paired with implementation.
- Districts will be able to answer these same question every 6 months. The OPI created this temporary form as a means to meet the federal timelines; it will be put in a more permanent location where you can access and update your plan.
- The OPI will use this form to collect best practices to share with other districts.

Please choose your county and district from the dropdown.

1. School District-Identified Priorities

Please provide the top priorities the school district has determined as the most pressing needs for students and schools within the school district as a result or in response to the COVID-19 pandemic. You may elect between 1-3 priorities by checking the box and providing the text response.

Priority 1

Returning to school as normal

Priority 2

Providing quality instruction to all students.

Priority 3

Improving Facilities to provide a safe learning environment.

When you identified each of your district's priorities, what data points did you use? Please list any and all data sources, such as attendance, interim assessments, surveys, etc.

Attendance, online student academic success rate and district assessments

Please indicate which of the following student groups specifically referenced in ARP ESSER were more affected than others in your district. Choose all that apply.

Economically Disadvantaged (Free and Reduced Lunch)

White

Black or African American

American Indian or Alaska Native

Multi-Racial

Migrant

Homeless

Foster Youth

Children with Disabilities

Male

Female

English Language Learners

Other (please identify in the box below)

2. Meaningful Consultation

ARP ESSER requires school districts to consult with a wide variety of stakeholders when developing a plan. Please select all of the following groups of stakeholders your district consulted and/or plans to consult.

Parents

Students

Teachers

Staff

Tribal governments

Local bargaining units

Educational advocacy organizations

County health departments

Community members

Other (please identify in the box below)

What method(s) did you use to seek stakeholder input? Choose all that apply.

3. Goals

Goal Action Plan:

Please define your Math goal, English Language Arts (ELA) goal, and other goal, based on the priorities you identified.

Explain what instruments or methods will be used to monitor the progress of the goals and determine if the goals are met. Click the box and provide the text response for each applicable box.

Math Goal

All students will improve math skills to the level of at or above proficiency as measured by state standards. The district utilizes data from MAP, Smarter Balance and district assessments to guide our professional learning communities in creating just right instruction for our students. The data indicates the need for differentiation at all levels in K-8 instruction. Our current focus is to create appropriate common assessments that guide formative assessment to ensure that we use best practices in support of all students.

ELA Goal

All students will improve reading and writing skills to the level of at or above proficiency as measured by state standards..The district utilizes data from MAP, Smarter Balance and district assessments to guide our professional learning communities in creating just right instruction for our students. The data indicates the need for differentiation at all levels in K-8 instruction. Our current focus is to create appropriate common assessments that guide formative assessment to ensure that we use best practices in support of all students. From that data the district will prioritize the specific areas of need and focus professional development efforts to ensure best practices are being used to drive instruction areas.

Other Goal (For example, SEL, Mental Health, Graduation Rates, Recruitment/Retention, Professional Development, Community and Family Engagement, etc.)

The district will address all identified loss of learning for students by addressing social emotional needs.

Goal Action Plan, Part 2:

Identify what strategies/action steps will be used to support the achievement of the goals. Describe a realistic and achievable timeline to achieve the goals.

|

Identify who is responsible to ensure the strategies/action steps are achieved.

Click the box and provide the text response for each applicable box.

Math Goal Strategies, Actions, Timelines, and Assignments

The current process is to utilize scores from MAP and Smarter Balance assessments to help guide instruction to meet state standards. We are in the process of creating district formative assessments that match state contentment standards so the curriculum we develop will be in line with any content standards from which assessments may be based.

5. Creating Safe and Healthy Learning Environments

Determine if ARP funds will be used to **implement prevention and mitigation strategies**, to the greatest extent practicable, in order to continuously operate schools for in-person learning.

If you are planning to use ARP ESSER funds for prevention and/or mitigation strategies, please select the evidence-based practices below and/or describe an additional practice in the Other box.

Mental health supports

Social emotional learning

Academic support

Extended learning/enrichment

Hiring new staff and avoiding layoffs

Meeting the nutritional needs of underserved students.

Locating absent students and re-engaging disconnected youth

Providing safe, healthy, inclusive learning environments.

Activities to address the unique needs of at-risk populations.

Developing and implementing procedures and systems to improve the preparedness and response efforts

Training and professional development for staff of the local educational agency on sanitation and minimizing the spread of infectious diseases

Purchasing supplies to sanitize and clean the facilities

Planning for, coordinating, and implementing activities during long-term closures, including providing meals to eligible students, providing technology for online learning to all students, providing guidance for carrying out requirements under the Individuals with Disabilities Education Act and ensuring other educational services can continue to be provided consistent with all Federal, State, and local requirements.

Purchasing educational technology (including hardware, software, and connectivity) that aids in regular and substantive educational interaction between students and their classroom instructors including low-income students and children with disabilities, which may include assistive technology or adaptive equipment.

School facility repairs and improvements to enable operation of schools to reduce risk of virus transmission and exposure to environmental health hazards, and to support student health needs.

Inspection, testing, maintenance, repair, replacement, and upgrade projects to improve the indoor air quality in school facilities, including mechanical and nonmechanical heating,

ventilation, and air conditioning systems, filtering, purification and other air cleaning, fans, control systems, and window and door repair and replacement

- Other (please identify in the box below)

If you are planning to develop or use approaches that are novel to implement prevention and mitigation strategies, would you be willing to have the OPI share your approaches with state and federal entities? If so, please briefly describe your innovation below.

6. Addressing Lost Instructional Time

Describe how the school district will use ARP ESSER funds it reserves under Section 2001(e) (1) of the ARP Act to **address lost instruction time** through the implementation of evidence-based interventions. The district must spend a minimum of 20% of ARP ESSER funds. The full implementation of the evidence-based interventions should be considered including personnel, materials, equipment, professional development, and expenses needed to meet the needs of students. Other evidenced-based practices may be utilized if the intervention meets one of the four tiers of evidence. Evidence-based practices may be found at [OPI's Multi-Tiered Systems of Support](#) page.

How do you plan to spend the required 20% set-aside to address lost instructional time? Choose all evidence-based practices that apply.

- Extended learning time**
- Tribal/community engagement
- Wraparound academic/health/social services**
- SEL learning supports
- Evidenced-based curriculum**
- Accelerating learning through instructional approaches: In-school acceleration-Certified educators provide support for students within the classroom and grade-level work, using high-quality instructional materials, instructional strategies, and formative assessments.
- Accelerating learning through instructional approaches: Tutoring program-High-dosage tutoring provided consistently by well-trained tutors or educators at least 3 days per week for at least 30 minutes at a time in groups of five or fewer students.
- Accelerating learning through instructional approaches: Out-of-school time programs- Identified students, needing additional support before, and after the regular school days, as well as on weekends, and during school breaks.
- Accelerating learning through instructional approaches: Summer learning and enrichment: Summer learning programs, camps, community partnerships, work-based learning or

community service that provide high-quality instructional and are designed to meet the social and emotional needs of student through engaging and enriching experiences.

- Access to and effective use of technology
- Engaging families in digital learning training and effectively using technology and platforms
- Administering and using high-quality assessments that are valid and reliable, to accurately assess students' academic progress and assist educators in meeting students' academic needs, including through differentiating instruction
- Providing information and assistance to parents and families on how they can effectively support students

Tracking student attendance and improving student engagement provided by the school

- Using data about students opportunity to learn indicators to help target resources and support
- Professional Learning Communities
- Access to advanced coursework, dual enrollment, work-place learning, and/or internships
- Career, Technical, and Agricultural Education expenses (approved under Perkins Act)
- Distance/Remote Learning: connectivity (hot spots, outfitting buildings/buses with WiFi, other wireless, internet service, etc.), devices (laptops, tablets, etc.), printing costs for learning packets, instructional resources/tools, hardware, software, subscriptions, licenses, assistive technology or adaptive equipment, online learning platforms/learning management systems, other distance/remote learning costs
- Other (please identify in the box below)

How do you plan to use the remaining 80% for the allowable uses of funds related to preventing, preparing for, and responding to COVID-19 as required by ESSER I, II, and III? See page 5 of the ARP ESSER Fact Sheet for more information. Choose all evidence-based practices that apply.

8. Monitoring and Measuring Impact of ARP ESSER funds

How will the District monitor the impact of the ARP ESSER funded interventions or strategies, including but not limited to the 20% set-aside, to respond effectively to the academic, social, emotional, and mental health needs of all students, and particularly those students disproportionately impacted?

The district will monitor student achievement through the use of summative assessments, attendance rates, and teacher observations. The district will provide access to mental health and nursing services, summer programs and afterschool tutoring.

Please indicate the type of data you are obtaining and using to monitor outcomes.

The OPI has created a way for the district respondents to return to this plan and edit it multiple times before submitting. You can return anytime before August 24 to finish your submission.

- When you're ready, click Submit at the end of the plan.
- After you click Submit, your responses will display in a PDF file. Download the PDF file.
- Upload the PDF file of your responses to your district's webpage.

Note: The option to edit is no longer available once the plan is submitted by clicking the Submit button. If you click Submit and then determine later that you need to make changes, contact OPITeams@mt.gov.

- This plan must be monitored continuously and updated every six months.
- The OPI will confirm your submission via the email you provide at the start of your plan.
- The OPI will reach out with questions and support as needed.

Thank you for your submission!
