*All boys and girls in grades 3-6 are invited to skill development days on Saturday mornings. Those students regularly attending will also get the opportunity to play at halftime of high school basketball games in January and February. Saturdays will consist of 1 hour of skill development taught by local coaches and high school players when available.

*Girls in grades 5-6 will also have the opportunity to participate in a short season, with additional practices once per week. Games/jamborees are being planned with Troy, Libby, and Eureka. More information to come at the first skill development day.

My child _____, in grade _____, has permission to participate in the Thompson Falls Elementary basketball program.
