

## D.L.T. AGENDA

*(4:00-5:00 in the boardroom, 5-03-2017)*

### **INTRO:** Teamwork

#### **ENVIRONMENT:** *Professional Development (10 minutes)*

The District has scheduled Pro-Active coaching to conduct a core covenants training for all coaches, teachers, and administrators on Friday June 2, 2017. This training is 3 hours, renewal units will be provided. What ideas do you have for the other ½ of the day? The elementary could work on wrapping up the writing component of our curriculum? We could also use the time to evaluate our summative MAP data?

#### **ACADEMIC:** *School Identity & Academic Identity (30 minutes)*

Who are we? We are a living organization that is continually looking for ways to adapt and improve our ability to realize our mission, (imagination + innovation) = realization.

We are a *School-wide* Title 1 school district beginning with full time kindergarten and leading up to two high school diplomas.

We are a team, everyone who lives and works with our school is part of our team; students, administration, teachers, parents, janitors, secretaries, kitchen staff, booster club, foster grandparents, consultants. Our identity is a mosaic of stakeholders.

We have defined priorities, values, and goals and want all people to be able to communicate our expectations both internally and externally.

- In 2013 we transitioned into a school-wide Title 1 program
- Created core values with the entire staff
- Developed Plan on a Page documents at the District and School level

Accreditation: Elementary, Junior High, and High School
